LLNS Board of Governors Chairman Norman Pattiz (right) and Vice Chairman Craig Albert (left) join acting Laboratory Director Bret Knapp at a joint meeting of the LLNS and Los Alamos National Security, LLC (LANS), boards. The two boards work to better integrate activities and make both laboratories and the NNSA enterprise more effective and efficient.
LLNS is a limited liability company managed by members Bechtel National, Inc., University of California, BWX Technologies, Inc., and URS Energy & Construction, Inc. Battelle Memorial Institute also participates in LLNS as a teaming subcontractor. Cutting-edge science is enhanced through the expertise of the University of California and its ten campuses and LLNS’ affiliation with the Texas A&M University system.
