

LAWRENCE LIVERMORE NATIONAL SECURITY, LLC

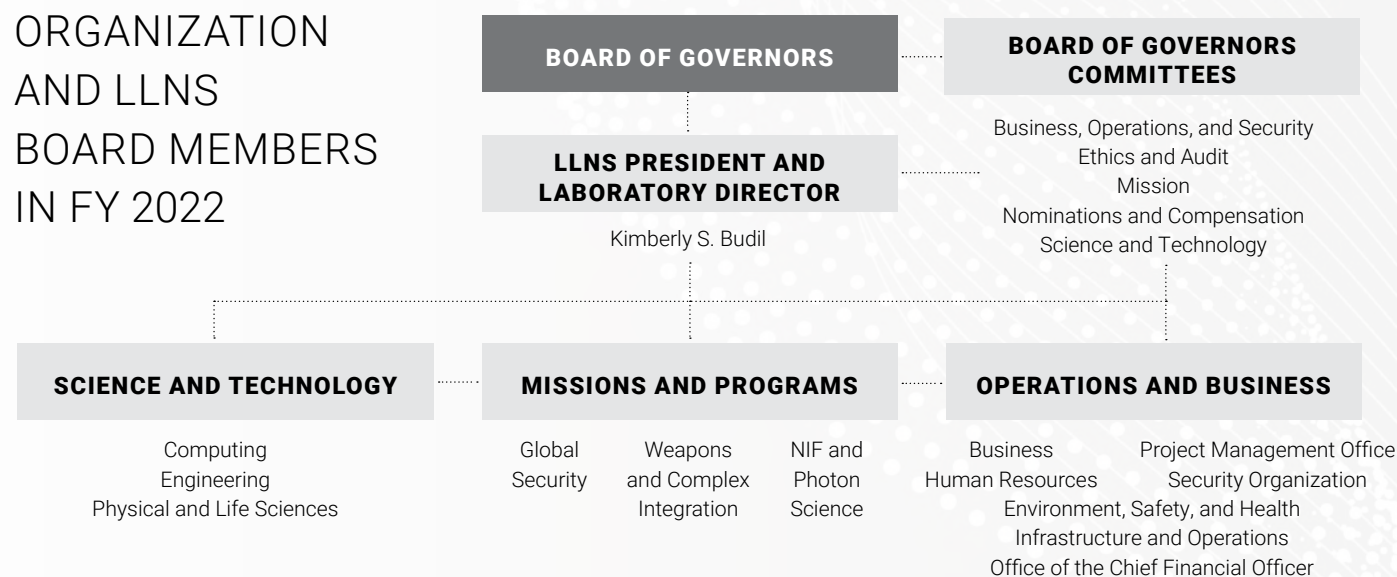

Overseeing management and operation of the Laboratory for the U.S. Department of Energy and the National Nuclear Security Administration

The Laboratory's Central Cafeteria (foreground), an office building (left), and the main Livermore Computing Facility surround Lake Haussmann.

L LNS is a limited liability company managed by Bechtel National, Inc.; the University of California; BWXT Government Group, Inc.; and Amentum Environment & Energy, Inc. Battelle Memorial Institute also participates in LLNS as a teaming subcontractor. Cutting-edge science is enhanced through the expertise of the University of California and its 10 campuses and LLNS' affiliation with the Texas A&M University system.
